

Welcome to Year Six

Welcome back! I hope you have all had a lovely summer.

You are now the oldest, most responsible and wisest pupils here at St. Clement's. You will be asked to work hard, but you will also be given plenty of privileges and 'grown up' responsibilities in return. In Year 6, you will enjoy having jobs, seeing your buddies and we will be going on our residential trip to Robinwood.

In this important year we want to provide as much support as we can in preparation for high school.

- Alongside myself in Year 6 we also have Mrs Edwardson who will support Year 6 throughout the week. Mr Lynch will teach Year 6 every Wednesday as I am not in school. Mrs Logan will also support Year 6 on a Thursday and Friday.

PE - Wednesday and Thursday

Children will be swimming on a Wednesday and PE on a Friday. Swimming will start on Wednesday 11th September.

PE kit is a maroon t-shirt with school logo, black shorts and trainers. Black joggers can be worn when the weather is cold. Children can come to school wearing these on their PE days.

For swimming, please ensure your child brings in their swimming kit and towel: for girls one piece costume (no bikini) and for boys swimming shorts (no pockets and above the knee).

Reading- Children need to have their reading books and diaries in school every day.

Please fill in the reading diaries at home either by the children or by an adult.

Curriculum

This half term we will be focusing on Evolution and Adaptation in Science. We will also be doing history, geography, music, computing and Spanish. More information about other subjects we will be exploring are on the school website.

Homework

Reading	Every day (20 mins)
Spelling	Friday for Friday
English (reading or SPAG)	Friday for Wednesday
Maths	Friday for Wednesday
Times tables	Everyday (5 - 10 mins)

Homework will be set on DB primary in the Autumn term.(Times Table Rockstars can be used too) and spellings will be sent home in their spelling journals.

Religious Education

This half term the children will learn about the Kingdom of God. We will be looking at values we all possess, linking it the values we have in school and we will explore parables within the bible unpicking the messages they give us as Christians.

There will be lots of things happening in Year 6 such as SATs, Robinwood, Chemistry with Cabbage and Bikeability. For each of these there will be separate letters sent out nearer to the time.

If you have any concerns or questions then please see me before/after school or contact the school office.

Thanks for your support,
Mrs Attwood
